Have you got nice show clothes that no longer fit you or your 4H'er? Bring gently used, current style show clothes to the fairgrounds and sell or trade them for clothes they can wear this year!

Clean out the tack room and trailer! Get rid of all of that stuff that you no longer use, need or fit in! Clothing, halters, bridles, bits, saddles, pads, etc. Sell or trade everything that's just sitting around your barn, tack room or trailer, cluttering it up and trade or use the money from what you sell to buy what you need for 2009!

If you're looking to buy, sell or trade your gently used horse tack, equipment and show clothing, please plan to be at the fairgrounds
